Subject: Flags

Dear Mr. Storton,

I would like to respectfully request that the City of Arroyo Grande adopt a Flag Display Policy at your meeting tomorrow, May 24, 2022, that represents all citizens of our town, instead of discussing the flying of the LGBTQ+ flag or a flag for Juneteenth. The city of Arroyo Grande should be non-partisan and commemorative flags should be flown only by private individuals or businesses. I would like to see only the flags of the United States, California and the City of Arroyo Grande flown at City Hall. There is no way the city can fairly represent all citizens and be inclusive, like stated, with commemorative flags.

Thank you for your time.

Sincerely,

Sheri Honeycutt
Resident of Arroyo Grande for 21 years and a small business owner

Subject: Flag Display Policy

Dear Caren,

I respectfully request that the Arroyo Grande City Council revise and adopt a Flag Display Policy that is fair for all the citizens of Arroyo Grande. A genuinely non-partisan policy, one that avoids even the appearance of government bias, would only allow for the flags of the United States, California, and the City of Arroyo Grande to be displayed at city-owned or maintained facilities. The display of commemorative flags such as the LGBTQ+ Pride Flag or the flag of any other organization, nation, or social movement should be relegated to the private sector.

The Charter of the City of Arroyo Grande explicitly states that “Local government will promote the health, safety, and welfare of all citizens of this city.” Community representatives such as yourselves, therefore, should not endorse the LGBTQ+ movement - a movement that demeans women by allowing trans athletes to dominate women’s sports and biological men to enter women’s restrooms - a movement that harms children and teens by encouraging them to seek radical treatments such as puberty blockers and non-medical mastectomies, both of which can result in permanent bodily damage.

Additionally, one of the stated goals of this Council’s May 21, 2021 Flag Display Policy is to highlight the “Role of the Arroyo Grande City Hall as an inclusive gathering location.” Flying the LGBTQ+ Flag does not accomplish this goal. Instead, it sends a strong message that those who disagree with the LGBTQ+ viewpoint are not full members of the political community. True inclusivity, the kind that promotes civic unity, would respect a diversity of opinions and be better served by only displaying the flags of the United States, California, and Arroyo Grande. I urge this council to adopt such a policy.

Sincerely,
Scott Kohlbush

Arroyo Grande resident since 1998
