Subject: Hearing this evening
Date: Tuesday, June 14, 2022 11:15:09 AM

Dear Ms. Jessica Matson,

I like to submit my opinion in reducing the increase of using our waste/refuse, recycle products and green recycle (grass clippings, shrub trimming etc.)

Instead of collecting weekly on Blue Bin and Green bin perhaps on residential area we could do with Biweekly eg. On Odd week only . This will reduce manpower since we have a shortage of it, and save the equipment , truck wear and tear.I had spoken with most of my neighbors in the street , we are in agreement especially in the green bin, on the winter time grass and trimming are not done .

I am sorry for not being able to attend today's meeting.

Thank you for your consideration.

Best Regards,

Trudy N.
