violation, \$100 for a second violation, and \$250 for a third or subsequent violation. Related changes were also made to Subsection 8.33.130(f), which provides factors to be considered in imposing penalties.

ANALYSIS OF ISSUES:

The Ordinance is now ready for adoption. The Ordinance will take effect thirty days after its passage.

ALTERNATIVES:

The following alternatives are provided for the Council's consideration:

1. Adopt the Ordinance adding Chapter 8.33, Mandatory Organic Waste Disposal Reduction, and Chapter 15.06, SB 1383 CalGreen Recycling and Model Water Efficient Landscaping Ordinance Requirements, to the Arroyo Grande Municipal Code by title only and waive further reading in order to comply with the requirements of Senate Bill 1383 (SB 1383); or
2. Modify and reintroduce the Ordinance; or
3. Provide other direction to staff.

ADVANTAGES:

Adoption of the Ordinance will comply with the requirements of SB 1383 and provide for an effective date for new Chapters 8.33 and 15.06 by January 1, 2022, which is the time mandated by the new law and regulations.

DISADVANTAGES:

Failure to adopt the Ordinance in a timely manner could subject the City to penalties imposed by CalRecycle, which can be up to \$10,000 per day.

ENVIRONMENTAL REVIEW:

This Ordinance is exempt from the California Environmental Quality Act ("CEQA") pursuant to State CEQA Guidelines Sections 15061(b)(3) and 15308 on the grounds that it can be seen with certainty that the enhanced solid waste regulations, as provided for in this Ordinance will not have a significant effect on the environment and that the new requirements, which strengthen requirements for the handling of solid waste, represent actions by a regulatory agency (the City) for the protection of the environment.

PUBLIC NOTIFICATION AND COMMENTS:

The Agenda was posted at City Hall and on the City's website in accordance with Government Code Section 54954.2.
