Please describe any background, training, education or interests that qualify you as an appointee \_\_\_\_\_

My background in Sales & Marketing would help the committee showcase the many strengths of Arroyo Grande. My wife and I are representative of a large portion of our potential market, young families. We would love to see AG maintain it's charm but continue to grow and showcase it's ability to attract visitors with a diverse set of businesses, events, and other attractions.

**(PLEASE COMPLETE THE REVERSE SIDE OF THIS FORM)**

**What do you see as the objectives and goals of the advisory board, committee or commission for which you are applying?** I've heard is primarily described as the "heads in beds" committee but I think it has the potential to be so much more. This committee has the potential to market the city in ways that will bring in both overnight visitors and patrons to our businesses and events. There is so much more Arroyo Grande has to offer and it should be this committee's job to communicate that clearly.
