

RESOLUTION NO.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ARROYO GRANDE EXTENDING THE CERTIFICATION OF THE 2018 FIVE-YEAR RADAR SPEED SURVEY FOR SELECTED CITY STREETS**

**WHEREAS**, radar enforcement of any speed limit other than those expressly established by State Law requires that such speed limits be based on an engineering and traffic speed survey; and

**WHEREAS**, speed surveys were conducted on 70 street segments throughout the City of Arroyo Grande (City) in 2016 and 2018; and

**WHEREAS**, in 2018, the City's consultant prepared an Engineering and Traffic Study (E&TS) documenting the results of the radar speed surveys, and providing recommendations on all the establishment of speed limits on certain streets in the City in accordance with the requirements of the California Vehicle Code (CVC); and

**WHEREAS**, on November 27, 2018, City Council certified the surveys to establish speed limits on the 70 selected street segments for five years; and

**WHEREAS**, CVC Section 40802 allows the five-year certification of the radar speed surveys to be extended an additional two years if certain staff training and equipment calibration exist; and

**WHEREAS**, the California Police Officer Standards and Training agency requires any officers who use laser or radar in the course of their duties to meet all of the conditions in CVC Section 40802(c)(1) necessary for the extension, and the Police Department met these requirements when the speed survey was originally approved.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Arroyo Grande as follows:

1. The foregoing recitals are true and correct and are incorporated herein.
2. That the City Council of the City of Arroyo Grande hereby adopts a Resolution to extend the certification of the 2018 speed surveys on selected city streets an additional two years to November 27, 2025 as authorized by CVC Section 40802(c)(2)(B)(i)(I).
3. This extension is not a project subject to the California Environmental Quality Act ("CEQA") because it has no potential to result in either a direct, or reasonably foreseeable indirect, physical change in the environment. (State CEQA Guidelines, §§ 15060, subd. (b)(2)-(3), 15378.)

**RESOLUTION NO.**
